

nosa great train race

Nosa, Lion's Club International and Umgeni Steam Railway host this relay event where teams of six runners race a steam train along part of the scenic and challenging Comrades route. The race travels from Inchanga to the Station Masters Arms in Hillcrest and those who don't want to run can buy a return ticket for the train, but watch out for armed robbers! Proceeds go to Lion's supported charities, including Embocraft Training Trust and the SPCA.
